NORTH CENTRAL EDUCATIONAL SERVICE DISTRICT
BOARD POLICY

Policy No. 1000

MISSION AND PURPOSE OF NORTH CENTRAL EDUCATIONAL SERVICE DISTRICT

Mission
The mission of North Central Educational Service District (NCESD) is to work with the local school districts, the Superintendent of Public Instruction, State Board of Education and Statewide ESD Network so that the mission of the common school system in the state will be accomplished. Therefore, the following shall serve as the goals for the development of programs and services by the NCESD:

1. To provide local districts with specific services as determined by local needs and aspirations;

2. To provide cooperative and informational services to local districts and to perform functions for those districts when such functions are more effectively administered from the regional level;

3. To assist the state educational agencies, Office of Superintendent of Public Instruction and the State Board of Education in the legal performance of their duties; and

4. To assist in providing pupils with equal educational opportunities.

Purpose
NCESD is a regional service agency established by the Legislature for the purpose of:

1. Providing cooperative service programs, joint purchasing programs, and establishing direct student services programs within the NCESD region;

2. Assisting the Superintendent of Public Instruction and the State Board of education in the performance of their statutory or constitutional duties; and

3. Providing services to school districts to assist in assuring equal educational opportunities.
