Salary Range: \$69,254.00 - \$78,355.00 Level 1 \$73,225.00 - \$82,847.00 Level 2 <i>Salary based on 191 day position, Salary range dependent upon experience and expertise.</i>	Conditions of work: 191 days 8 hours per day - <i>exempt position</i>

GENERAL DESCRIPTION:

This position is a rare opportunity to join an exciting team. The regional Educational Service District 171 (ESD 171) is seeking a dynamic team player interested in making an impact in the lives of district staff as the Teacher of the Visually Impaired for 29 School Districts within our ESD region. The Teacher of the Visually Impaired provides assessment and instructional service to visually impaired children including individual student assessments, direct instruction, and consulting with school staff, parents, and outside agencies. The TVI will determine children's eligibility for services; and ensuring compliance with local, state and federal requirements. This position is based in Wenatchee, Washington.

Qualifications:

Required:

- Certification as a Teacher of the Visually Impaired, ESA Certification in the State of Washington as a Special Education teacher (or ability to obtain)
- Demonstrated proficiency in Braille
- Proven working knowledge of Washington State Special Education Rules and Regulations (WAC 392-172) as they pertain to children with vision disorders as well as working knowledge of IDEA-Part B & C federal requirements
- Experience working as a member of a team as well as independently
- Willingness and ability to travel frequently within districts and buildings

Preferred:

- Master's Degree
- Three years successful experience working with children and families in the areas of vision
- Training and experience in orientation and mobility
- Experience developing and implementing instruction individually based on student needs
- Experience working with visually impaired infants
- Experience with BrailleNote, refreshabraille with IPads, Zoomtext, Duxbury, APH Bookport Plus and other computer assistive technology devices

Skills, Knowledge, and/or Abilities:

- Ability to work independently under broad organizational guidelines to achieve objectives
- Ability to set priorities, meet deadlines and schedules, deal with frequent interruptions, and work as part of a team
- Strong interpersonal skills demonstrated through the ability to build trusting, collaborative relationships
- Demonstrated excellent verbal and written communication skills.
- Exceptionally high commitment to task accomplishment and flexibility in working hours and days

Timeline:

Position opens: January 17, 2019
 Position closes: Open until filled
 First Screening: March 25, 2019
 Position begins September 2019

Note: Employment contingent upon successful clearance of a Washington State Patrol, FBI fingerprint criminal history background check, and Sexual Misconduct background check.

NCESD is an Equal Opportunity Employer

Responsibilities:

- Assists other personnel as may be required for the purpose of ensuring an efficient and effective work environment.
- Collaborates with others for the purpose of implementing intervention strategies and/or providing recommendations/modifications to assist basic education staff in working with special education students in the classroom setting.
- Consults with teachers, parents, other personnel, and/or outside professionals for the purpose of providing requested information, developing plans for services, and/or making recommendations.
- Establishes necessary caseloads, procedures, and resources for the purpose of managing the vision programs for students and/or working cooperatively with staff to accomplish the goals of the IEP or IFSP.
- Maintains a variety of manual and electronic files and/or records for the purpose of providing up-to-date reference and audit trail for compliance with ESD, local, state and federal regulations.
- Participates as a member of the evaluation team and IEP committee for the purpose of contributing evaluation findings and/or collaborating on the child's educational program plan.
- Provides direct services through a variety of methods (e.g. classroom presentations, co-teaching in general education settings, in-services to staff/parents, etc.) for the purpose of ensuring services are delivered in conformance with ESD, state, and federal requirements.
- Provides instruction to visually impaired students through both group and individual experiences for the purpose of developing and implementing individualized education plans for students.
- Serves as a liaison between local school districts and NCESD for the purpose of delivering services in conformance with established objectives.
