

# Support for Principals

Bill Eagle joined the NCESD team in July as one of two new Associate Directors of Student Success and Learning. His experience as a State and Federal Programs Director make him a great addition to our team and a valuable resource to our Districts.

Bill holds a Master's in Mathematics Education and Principal and Superintendent Certifications. His role at the ESD includes program support in TPEP, BEST, OSSI, Principal Instructional Leadership and Principal Mentorship, Root cause data analysis, General Education, Federal Programs and Categorical program support and integration as they relate to the instructional CORE.

One of his focuses this year is to work closely with Principals in our region and establishing regional Principal Leadership and Mentorship supports.

## Welcome to the Team!

We're pleased to announce the following additions to the NCESD team:

**Lisa Monahan** has been hired as a STEM Coordinator. She has taught a variety of courses in the Methow Valley over the past 12 years including secondary science, math, engineering, health and coordinated internships. She holds undergraduate degrees from the University of Washington in Zoology and Biology Teaching and began her teaching career in the Mississippi Delta through Teach for America.

**Melissa Trammell** is the newest Behavior Specialist at the NCESD. She graduated earlier this year with a graduate certificate in PBS with a focus in Applied Behavior Analysis and in 2013 with her Master's in Education specializing in Secondary Special Education from Portland State University.

**Heidi Krumland** has joined the NCESD as a School Psychologist Intern. She is a graduate student at EWU's Respecialization Program. Previously, she was an elementary school teacher and has taught in Alaska, Belgium and several districts Washington.

**Heather Kelly** has also been hired as a School Psychologist Intern. A student in the CWU School Psychology graduate program, Kelly will graduate with a Master's Degree in June 2019. Prior to graduate school, she worked for the Wenatchee Police Department, the Washington State Department of Corrections and the Washington State Division of Child Support.

**Heather Stringer** is the new Electrical Safety and Energy Education Specialist for the NCESD. She is a graduate of Texas Tech University and brings almost a decade of experience teaching elementary school.

**Erika Cleverly** has joined the team as a Speech Language Pathologist Assist. She received a Speech Language Pathology Assistant degree from Shoreline Community College, and has worked for the Quincy School District for 10 years and the Achieve Center for 3 years.

## #WhyI Teach

Teachers- we want to hear from you! Tell us what motivates you to do this important work. What gets you out of bed in the morning? What keeps you inspired? What makes you love being a teacher?

We'll share your inspiring stories on social media and the NCESD website. Each month we'll select a winning submission and that teacher will win a gift card for classroom supplies!

Submit a few sentences detailing Why You Teach to [communications@ncesd.org](mailto:communications@ncesd.org). Be sure to include your name, school, and grade level!

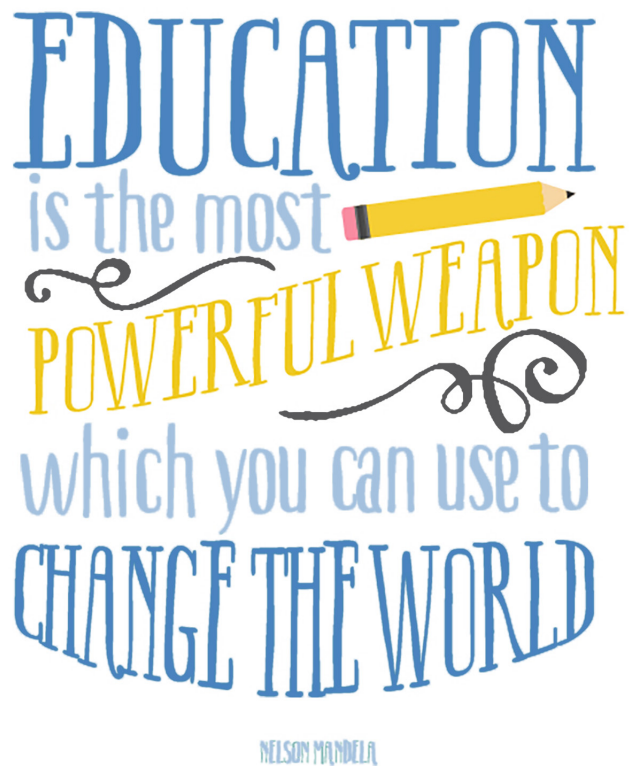

**Happy Teaching!**
