

# SLOW the Spread of COVID-19

REDUZCA el contagio de COVID-19

Fever  
Fiebre

Cough  
Tos

Shortness of Breath  
Falta de aliento

**Do not enter this building.**

**No entre a este edificio.**

## How is it prevented?

Wash hands often

Avoid touching eyes, nose, or mouth with unwashed hands

Avoid contact with sick people

Stay home while you are sick; avoid others

Cover mouth/nose with a tissue or sleeve when coughing or sneezing

Clean and disinfect frequently touched objects and surfaces

**Coronavirus is Contagious**
