GENERAL DESCRIPTION:

This position is a rare opportunity to join an exciting team. The regional Educational Service District 171 (ESD 171) is seeking a dynamic team player interested in making an impact in the lives of staff and students as a Speech Language Pathologist. The SLP will provide a full range of services to children ages 0-21. Responsibilities will include screening and assessment, designing treatment programs, providing direct therapy; and consulting with school staff, parents and outside agencies as appropriate; and function as a member of the multidisciplinary team to determine the child's eligibility for services, appropriate programming and on-going progress.

Qualifications:

Required Education and Experience:

- Current Washington State Certificate or ability to attain.
- Experience working with children ages 0-21 years of age.
- Master's degree in Speech Pathology.
- Valid Washington State Driver's License.
- Prior experience working with diverse cultures.
- Ability to function independently and as a team member.
- Ability to effectively plan and organize service delivery.
- Demonstrate a high level of competence in written (computer) and oral communications.
- Experience in basic computer skills (word processing, e-mail, data entry).
- Current First Aid/CPR/AED certification.

Preferred:

- ASHA CCC's strongly preferred.
- Experience screening, assessing, designing treatment programs.
- Experience providing direct therapy and consulting with school staff, parents and outside agencies as appropriate.
- Experience functioning as a member of a multidisciplinary team to determine the child's eligibility for services, appropriate programming and on-going progress.
- Bilingual (English/Spanish) preferred.

Timeline:

Position opens: May 3, 2021
 Position closes: May 17, 2021
 Screening & Interviews as soon as possible
 Position begins August 2021

Note: Employment contingent upon successful clearance of a Washington State Patrol, FBI fingerprint criminal history background check, and Sexual Misconduct background check.

NCESD is an Equal Opportunity Employer

Skills, Knowledge, Responsibilities and/or Abilities:

- Provide direct therapy services to eligible children including articulation, voice, fluency, possible feeding therapy and language therapy which emphasizes improved educational performance.
- Evaluate children who have been referred and determined to require a CD or birth-to-three assessments, including selecting appropriate instruments, administering tests, observations, and writing reports which state the evaluation findings, and provide for program recommendations.
- Participate as a member of the multidisciplinary team and/or Individual Family Service Plan Team and the individualized education committee contributing evaluation findings and collaborating on the child's program plan.
- Consult with parents, teachers, and other staff involved with the student regarding the child's program and any adaptations needed to facilitate improved performance in the classroom or at home.
- Maintain appropriate data on students to document current levels of performance and other pertinent information. Re-evaluate, as appropriate, and determine extent of progress and effectiveness of therapy.
- Serve as a liaison between the local school district and the NCESD.
- Establish the necessary caseloads, procedures and resources to manage the CD program for children, and work cooperatively to accomplish the goals of the LEA and/or Early Intervention Program.
- Adhere to the ethical standards and codes of the profession and to the established rules, regulations and laws governing communication disorders programs. Participate in activities that assist with professional development and evidence-based practices to enhance CDE and/or early intervention services.
- Perform other related duties as assigned.
